CLASSROOM MANAGEMENT PLAN

Rock Solid in the Lord

Psalm 18:2a- "The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge..."

Zion Lutheran School's mission is to partner with parents to empower and prepare students through a Christ-centered education.

Zion Lutheran School is a partnership between parents, teachers and students. In an attempt to make this partnership successful, I am committed to:

1. Instructing and training the children entrusted to me diligently and faithfully in the chief truths of the Word of God as they are revealed in the Scriptures and set forth particularly in the Small Catechism of Dr. Martin Luther.
2. Teaching the children thoroughly in the elementary branches of learning in the spirit of the gospel.
3. Maintaining Christian discipline in the classroom and enforce the guidelines of the school as laid out in the handbook.
4. Working with the parents and student in establishing good study habits and in supervising their child's homework to see that assignments are complete and well done each day.
5. Remaining committed to Biblical principles and strive to witness those principles in all that I do.

The students are a large part of the equation of cooperation and it is my hope that they are committed to making the most of their education at Zion. At the beginning of the school year, the kindergarteners will review the following classroom rules based upon Christian love as stated in 1 John 4:19, "We love because he first loved us."

1. Show love and respect for our Savior in all that we think, say, and do.
2. Use our God-given abilities the best we can.
3. Show respect to all those in authority—parents, pastors, principal, teachers, secretaries, etc. -by listening carefully and following directions the first time.
4. Respect our teacher and classmates by working quietly and not disturbing them.
5. Respect the property of others.
6. Keep our classroom and school neat and orderly by taking care of the things God has given us.

The above rules will be the basis for our classroom being one where learning can effectively take place. With any rules there also have to be subsequent consequences for the times when our sinful nature overcomes us. The consequences will depend on the situation. The following are possible consequences:

- † Mild warning, reminder of the rules, and/or redirection
- † Practice of the correct behavior
- † A private discussion with the teacher
- † Loss of privilege
- † Removal from the group

In extreme cases,

YOUR PEERS:

Through God's grace, you have been placed at this school with other students to learn together. We will be together in this classroom for the better part of nine months. It is important that we learn to love one another and get along.

Please feel free to contact me with any comments, questions, or concerns. My purpose here is to assist you, the parent, in training your child. We are not to work separately, but instead, work as a team. My goal is to work together with Christ as our guide to bring your child up in our Savior's word. My prayer is that they may take with them what they have learned from home and school and apply it to their lives.

In extreme cases,

- † A talk with the principal, parents (and/or) pastor.
- † The Aggressive Behaviors Rubric will be followed for major student to student incidences.

The teacher reserves the right to issue an "on the spot" or creative punishment that fits the offense. (i.e. extra work, cleaning, etc.) Consequences are carried out in love and concern for the student. Graciously, God has forgiven all our sins and not one of them is counted against us.

MY MANAGEMENT PHILOSOPHY

The following guidelines describe my philosophy for how I manage conflict with student, parent, and student to student interactions:

General guidelines for conflict:

- 📖 Apply Law and Gospel to the situation.
- 📖 Be Patient and Respectful.
- 📖 Talk to them in private.
- 📖 Control my emotions.
- 📖 Encourage positive behavior.

REWARDS FOR STUDENTS:

The greatest reward we have here at Zion Lutheran School is the blessing of a Christ-centered education. However, in addition to that, rewards will be handed out throughout the year. Extra privileges in the classroom can and will be given.

OUR LORD:

We will always want to remember to respect our Heavenly Father through out thoughts, words and actions. In a Christ-centered school, Satan is working overtime to tempt us and lead us away from our God. Students, we are not in this fight alone. We are here together at this school by the inspired Word of God. We need always to think before we act. "Will what I am doing glorify God?" Ask the Lord through prayer for help often. He promised to hear and answer our prayers.

YOUR ELDERS:

God has placed a number of people in authority to see that you are in good care. Such people as your and other students' parents, the pastor, the principal, and other teachers are a few of these people. These are people that God calls his representatives. He demands that these people are treated with respect at all times. Students also will respect the secretary, chaperones, and other helpful volunteers. **There is no place for disrespect, in any way, to any of these people.**

To the parent: Here is a list of basic truths that you will want your young child to eventually learn in order to understand God’s story of salvation. Keep the list in a convenient place for reference and look for opportunities to talk about and review these truths with your child.

1. God made the world and everything in it, including the first people, Adam and Eve.
2. God made Adam and Eve perfect and holy, like him. They did not do bad things.
3. God gave Adam and Eve a beautiful garden home, where they could live with him.
4. God gave them this rule: “Do not eat from the tree in the middle of the garden.” God gave them the rule so that they could show God they loved him by obeying it.
5. The devil is a bad angel who hates God. The devil wants to spoil everything good. The devil knew that if Adam and Eve ate from the tree in the middle of the garden, they would sin and die. The devil wanted Adam and Eve to live with him, not with God.
6. The devil came to the garden to trick Adam and Eve. The devil told Eve that if she ate from the tree in the middle of the garden, she would be wise like God.
7. Eve listened to the devil and ate some of the fruit. She gave some to Adam, and he ate it too.
8. This was the first time people did something God had told them not to do. When people do something bad, it is called sin. This was a very sad day. Adam and Eve had sinned. The result of sin is death and living with the devil.
9. God doesn’t want anyone to go away from him to live with the devil. God made a plan to save Adam and Eve and us too. God promised to send his Son, Jesus, to take our place. Jesus came to earth as a little baby. Jesus lived on earth for us and never sinned. This means that Jesus never did one bad thing—not even one time. Then Jesus took the punishment for the sins of all people when he died on a cross.
10. Then something wonderful happened. Jesus did not stay dead. Jesus became alive again!
11. God teaches us about Jesus in his Word, the Bible. Through his Word the Holy Spirit leads us to believe in Jesus. People who believe that Jesus died to save them from sin and the devil will always live with Jesus—here on earth and then forever in heaven when they die.
