What's Next Before I Enroll?

What are some next steps as you consider enrolling at Zion?

Feel free to talk with the Pastors, teachers, and principal about any questions or concerns about your child's education.

Meet with the Principal and Pastor to discuss the Enrollment Policy and review the School Handbook.

Review the information in the enrollment packet. It has documents that can help you learn more about Zion.

Zion operates a before and after-school care program for its students called ExTended Care (ETC). The program includes homework study, supervised, structured play, and snack time. Please contact Rebecca Prell, the program coordinator, for more information.

All new incoming families to Zion must get approval from the Board of Education before enrolling their children. New families must fill out an Application for Enrollment and wait for approval before continuing with the "Enrollment Steps."
